Contact the vendor or local Renishaw office if you need to return a product.

It is a condition of this warranty that the equipment covered must be returned for recalibration at a Renishaw facility within 33 – 36 months from the original purchase date. Failure to meet this condition will invalidate the extended warranty.

## EXTENDED WARRANTY CONDITIONS

“Goods” means the goods with a serial number set out on the face of this certificate, excluding any software

“Renishaw” means Renishaw plc

“Buyer” means the purchaser of this extended warranty

1. Except as set out below Renishaw will make good, by repair or, at its option, by the supply of a replacement, defects which under proper use appear in the Goods within the period set out on the face of this certificate which arise solely from faulty materials or workmanship. The repair or replacement shall not benefit from a new warranty and therefore the original warranty period shall apply to the repaired/replaced unit.
2. Renishaw is not liable for the quality, performance or fitness for purpose of any hardware manufactured by a third party.
3. Renishaw is not liable to Buyer for any such defect unless Buyer immediately gives notice of the alleged defect with full particulars of the operating conditions under which it became apparent and returns the Goods or relevant part carriage paid to Renishaw's works. Renishaw may, at its discretion, charge an administration fee for Goods that are returned with no fault found.
4. Any Goods or parts returned to Renishaw are at Buyer's risk with carriage paid and in adequate packaging. Repaired or replacement Goods or parts will be despatched carriage paid by Renishaw to the address requested by Buyer at Renishaw's risk.
5. Renishaw is not liable for any defect and Condition 1 ceases to apply if after delivery the Goods have been:
  - (i) used for any purpose other than that for which they were designed;
  - (ii) installed, used or stored otherwise than in strict accordance with Renishaw's instructions for use;
  - (iii) damaged, misused, neglected, not properly cleaned and stored after use or had any of their identification marks or numbers altered or removed;
  - (iv) modified and altered in any way without Renishaw's prior written authorisation; or
  - (v) damaged as a result of use or operation after any defect in them has become apparent.
6. The decision of Renishaw on all matters governed by this extended warranty and in particular (but without limiting the foregoing) as to the nature and cause of any defect or malfunction, shall be conclusive and binding on Buyer.
7. RENISHAW'S LIABILITY IN RELATION TO THIS EXTENDED WARRANTY IS LIMITED TO THE SUM OF £50,000. RENISHAW IS NOT LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL LOSS OR DAMAGE (INCLUDING BUT NOT LIMITED TO LOSS OF DATA, PROFITS, BUSINESS, GOODWILL OR OTHERWISE) OR ANY CLAIMS OF THIRD PARTIES.
8. This extended warranty, and any claims or disputes arising in connection with it, is governed by English law and the parties submit to the exclusive jurisdiction of the English courts.
