# Optional Reading Logs

The Reading Logs are daily practice exercises to accompany students' independent reading texts. These daily, silent, sustained reading periods are critical to improve fluency, vocabulary, and comprehension skills. The Logs are designed to increase in difficulty as the students' develop as independent readers.

## **Daily Reading Log 1:**

This Log is helpful for the first two months at the beginning of the year as the students are working on mastering main idea and significant details in text. Monday through Thursday, the students complete the sections with date, title, pages read, etc. On Fridays, students create a summary at the bottom of the Log about something they read during the week.

## **Daily Reading Log 2:**

This Log is helpful as the students grow as independent readers, encouraging interaction with text to improve comprehension. Monday through Thursday, students complete the top part of the log, as they did with Reading Log 1. In addition to completing these, the students also select one of the comprehension prompts from the bottom of the Log to complete each day. To help the students, there are Sentence Starters on the back of the Log for each for the comprehension prompts. So, if a student chooses to Make a Prediction, he/she can start the sentence with "I predict that..." or "I wonder if..."

#### Daily Reading Log 3:

This Log is helpful towards the end of the year as the students are developing their skills in literary analysis and critique. There are three individual sheets for the genres of fiction, nonfiction, and poetry. Monday through Friday, students select one question from each column to answer about the text. The answers for these questions can go in a writing folder or portfolio. Students highlight the questions as they complete them each day. Off to the side of the Log sheets are academic vocabulary words, and students are encouraged to use 5 of these in their responses. By Friday, students should have answered 20 questions about the text.
