Guidance notes

Background

A forecast grade is the grade a teacher expects a candidate to achieve for a syllabus. This is a realistic prediction of what the Candidate is expected to achieve in the examination. We use forecast grades:

- to help set syllabus grade thresholds
- to help make a post-examination adjustment to a candidate's mark to make allowances for any adverse circumstances such as illness or bereavement
- to carry out checks before we release results.

Completing the form

- You can submit your forecast grades through CIE Direct, the A2C Migration Application (if your Centre is in the UK) or by completing and returning the pre-printed Forecast Grade Form (F1) which is sent in your Cambridge pre-exam despatch.Complete this form for any candidates who are not listed on the pre-printed form.
- Complete a separate form for each syllabus.
- If you are completing this form for Cambridge International AS Level or A Level please specify which Level the Candidate is entered for. When you are filling in the 'Forecast grade' column, use lower case letters for Cambridge International AS Level and block capitals for Cambridge International A Level.
