CHANGE AND EDIT THE IMAGE

- Click on the Photos menu on the left to see the photography available within Canva
- Click on the Uploads menu on the left to upload your own images from your devices
- Replace the image in the template by drag and drop your image onto the frame
- Once placed on a frame, photos can be resized, cropped, flipped and layered to create a variety of visual effects.
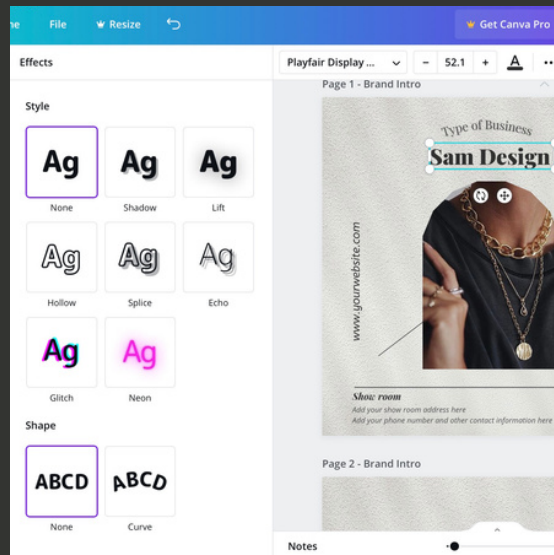

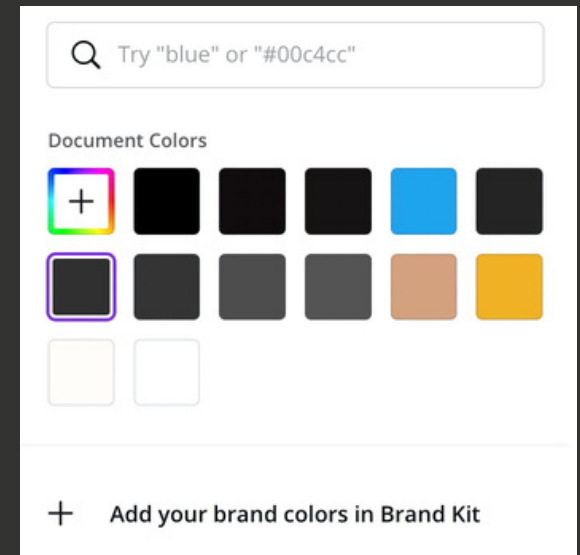

CHANGE AND EDIT TEXT

- Click on the Text menu on the left and add text OR overtype the pre-loaded text with your own choice of wording.
- Change the font type, size, color and how the text is aligned, and add effects such as drop shadows and glows.
